Prospects Dim As Deer Season Opens Saturday

Bucks Are Scattered Over Wide Area, Report Indicates

Recent storms which left considerable snow on the higher elevations in this area may possibly result in better deer hunting in this region than was predicted two weeks ago.

Game Warden Tom Borneman and U. S. Forest Ranger E. E. Boehm of Truckee said that up until the storm last Thursday, deer were scattered over a wide range with no concentration whatever. While no survey has been made since the storm, it is anticipated that deer will seek lower elevation and gather in herds for their annual migration.

The storm, too, lessened but did not abate the fire hazard in the district. Forest service officials pointed out that the recent and current warm weather has dried out the trees and brush to a point where extreme care in the handling of fires will be necessary.

The local warden said that his inspection of the district two weeks ago revealed a marked shortage of deer as compared with recent years. Particularly, he said, is this true of the forked horns. Many of the younger deer, as well as a moderate percentage of the old, died as the result of the heavy storms during January and March of this year. He said hunting would probably be "less than fair."

The deer will be found mostly on burned-over areas of the district, Borneman predicted. This is true for the first few days of each season after which the animals flee to brushy and timbered land. The Hobart Mills, Floriston, Sardine Valley and Martis areas are usually the most popular opening-day hunting grounds in this district, but a scarcity of deer there may force hunters to seek out new fields.

The season opens here Saturday and closes October 19. One legal buck is the limit permitted.

NATIONAL GUARD TO BE DISCUSSED AT LOCAL MEET

The feasibility of organizing a National Guard unit in this district will be decided at a meeting of all interested parties to be held at the high school cafeteria tonight at 8 o'clock, Robert Edwards, local sponsor of the plan, announced.

Several officers of the California National Guard are expected to be on hand to discuss details of the organizations.

Every eligible young man in the community is urged by Edwards to investigate the program at tonight's session.

CAPACITY CROWD AT SCHOOL AFFAIR

A capacity crowd Saturday evening attended the dedication ceremonies for the new Tahoe Truckee High School, heard several interesting talks by state, county and local school officials, made a tour of the school plant and enjoyed the refreshments served in the school cafeteria.

The affair was planned by the local school board and District Superintendent E. V. O'Rourke, and accomplished its purpose of better acquainting the residents of the district with the outstanding progress being made in the educational system here.

TWO LOCAL BOYS SIGN IN AIR FORCE

Two Truckee high school boys, Marvin Parkhurst, son of Mrs. Mary Parkhurst of Meadow Park, and Alfred MsGee, son of Mr. and Mrs. Garing McGee of Truckee, have enlisted in the U. S. Air Force and are currently stationed at the Parks Air Base in the bay area.

The two enlisted through the Reno recruiting station.

Arthur Struckman Files Suit for Mishap Damage

Arthur E. Struckman filed suit this week for $25,000 plus medical expenses, claiming to have been struck by a car while attending to his duties as inspector at the state quarantine station near Truckee on June 3.

In his suit, filed in the Nevada County superior court, he names Mrs. John Biggio as driver of the vehicle.

Transferred to Port—

Mr. and Mrs. A. E. Struckman have left for San Francisco where the former has been transferred to the port of San Francisco by the California agricultural quarantine service.

Small Turnout Of Voters Here Reelect Board

Out of between 500 and 600 qualified voters in the Truckee Sanitary District, 51 turned out Monday to elect two directors at large. This was one of the best showings the district election has had in recent years, with previous ballotings running as low as 11.

Incumbent director Robert W. Seibold was accorded 35 votes with incumbent Clarence E. Osburn polling 28. These were the only two names appearing on the ballot. Eighteen wrote in the name of William F. Curran and five write-in votes were cast for B. W. Reynolds. Four other votes were "scattered" among three other "candidates."

Each elector was entitled to vote for two.

The board conducting the election included Mrs. A. L. Davidson, Mrs. John Rablin and Mrs. John Street.

Seibold and Osburn will, by virtue of these results, continue to serve on the board along with Joe Mattos, David Rose and N. S. McCrary.

BERKELEY C. OF C. URGES NEW ROAD OVER MOUNTAIN

The Berkeley Chamber of Commerce has adopted a resolution calling upon California congressmen to investigate the feasibility of using military funds for construction of a military highway across the Sierra. It is presumed that the work would be on existing highways but the resolution did not so state.

Many similar resolutions have been passed by various organizations but this is the first time use of military funds has been suggested.

Meanwhile, representatives of the Colfax chamber of commerce were scheduled to appear today before the state highway commission at San Francisco to ask for four laning of Highway 40 between the Auburn-Applegate Freeway and Colfax. The group is asking that funds for the work be allocated in the 1953 construction budget.

THREE AIRMEN HURT IN ACCIDENT

Three Stead Air Base soldiers were injured last week when a car driven by Earl R. Carmitchael, 22, overturned on the highway a mile east of Truckee. Blair M. Arnold, Allery F. Carver and the driver were taken to the air base hospital. Carmitchael was cited by Patrolman William Gautsche for driving without due caution.

BOY INJURED AS CAR IS WRECKED

Robert Worford, Soda Springs, 17 year old Truckee high school boy, was injured yesterday at 7:45 a.m. when he car he was driving ran off the highway near the foot of Donner grade. He was taken to the Tahoe Forest Hospital by Truckee ambulance with major injuries.

Boy Scout Discusses Seed Program at Meet

John Firpo, Truckee Boy Scout, spoke last night before the local Lions Club, outlining the Scouts' seeds for Europe program. He said the boys' group is sending vegetable seeds to the war-torn areas of Europe and Asia to help the people there feed themselves without shipping bulky food parcels.

Angelo Besio presided at the meeting and guests were B. J. Knight and Al J. Johonek, Antioch; Robert Saunders, Truckee; Al George, Oakland; Ben Tonini, Morro Bay; Robert Tonini, Tahoe City; Wayne Poulsen, Squaw Valley.

Surb Kleins Observe Wedding Anniversary

Mr. and Mrs. Surb Klein, popular operators of the Pastime Club, today are receiving congratulations and best wishes from their many friends on the occasion of their 27th wedding anniversary.

Football Team At High School Starts Season

First Game is Scheduled By Squad With Loyalton

The Tahoe Truckee High School Wolverines opened their 1952 football practice season last week. This is the first time any regulation 11-man football squad has been fielded by the local school. At present the team is working out under the direction of Coach Jim Brehler three afternoons a week, Monday, Wednesday and Friday.

With the arrival of equipment expected this week, practices will be stepped up to four or five per week in preparation for the Wolverines' opening game October 10 with Loyalton High School at Loyalton. Game time is 7:30 p.m.

No other games are scheduled at present but it is hoped that the team will play at least four games this season. Teams which the squad may meet this year if scheduling permits, include Lincoln High, Monogue JV of Reno and Portola JV.

The team at present numbers 31 men. The traveling squad will be cut to 25. The following boys are working out under the direction of Coach Brehler at present:

Centers: Bill Walker, Harry Reuck, Bert Falbaum.

Guards: Dick Mandeville, Gary Brumbaugh, Charles Smith, Dave Germain, Carroll Ballard.

Tackles: Tom Grow, Charles Cozzi, Wayne Germain, Rolland Gautsche, Pat Griffith, Jim Crawford.

Ends: Bob Tonini, Clyde Mandeville, Joe Copeland, Ronald Pelley, Jack Van Hooser.

Backs: Hugh Van Hooser, Lewis Fellows, Jay Stuart, Dallas Marquis, Ronnie Sanford, Bobby Bell, Bob Sanford, Jerry Quam, Mike Soltau, Donald Stark, Jim Carter, Wilbur Conyers.

Carl Bechdolt Jr. of Tahoe City has offered the use of the Tahoe City golf course for football practice sessions. This will give the boys an opportunity for game scrimmages and practice sessions on a turf field similar to what they will find during regular competition. Special practices will be held at the Tahoe City golf course and will be announced by the students and by the local paper so that district residents may get a chance to watch the Wolverines in action before the big game on October 10.

It is hoped that all the local people will take a real interest in their football team and travel to games whenever possible.

Kathryn Ann Barrett Observes 7th Birthday

Kathryn Ann Barrett, daughter of Mr. and Mrs. Doug Barrett, observed her 7th birthdate last Saturday with a party at her home here. After playing games and opening gifts, the youngsters enjoyed a pink and blue birthday cake and other refreshments.

Those attending were Virginia Barnes, Karen Smart, Barry and Marcia Leamon, Carolyn Smisek, Lynn Bays, Mary Miller, Janice Eaton, Daven Morey, Dianne Kaspian, and the honoree's sisters, Sheila, Phyllis and Patricia Barrett.

Tahoe-Sierra Chamber Will Meet This Evening

The first meeting of the Lake Tahoe-Sierra Chamber of Commerce under its newly-elected officers and directors will be held tonight at 8 o'clock in the Community Center Building at Tahoe City. Succeeding meetings will be held at designated points around the lake, for general convenience.

General membership as well as interested non-membership is welcome and invited to all meetings.

Colusa Man Pays Fine On Sobriety Charge

George Poundstone of Colusa was fined $50 by Judge F. W. Wilson in the justice court here on a charge of violating the county sobriety ordinance. He was cited by the California Highway Patrol.

Sun Beams

by Walter M. Barrett

Saturday marks the opening of the deer hunting season in this district and whether or not there are as many deer as usual it is anticipated that the number of hunters will be even greater than in past years. Already hunters are arriving and camps are being established throughout the region. Whether it does any good or not, we would feel remiss in our duty if we did not issue a warning of the danger accompanying deer hunting. There are entirely too many careless riflemen in the woods during the first few days of the season — hunters who are trigger happy and who love to shoot at something, anything that offers them a fair target. There are others who imbibe too freely of their camp stock of liquor and then try to hunt. Probably the most destructive hunter, however, is the fellow who leaves a camp or warming fire burning while he pursues his buck. In all these and other cases, dangers are presented and should be minimized with caution by the more conservative hunter who realizes the hazards. He should report all violations immediately so that a check can be placed on the culprit. True sportsmanship should be adhered to and no good sport will endanger the life of a fellow hunter nor create a fire hazard.

TONY'S COFFEE SHOP OPEN AT NEW LOCATION

As of breakfast this morning, Tony and Esalena Polyanich are once more in the restaurant business, a field in which they have become a fixture after many years in Truckee.

Early in the summer they sold their corner location for the large new Bank of America branch here. At once, the Polyanichs began remodeling the store recently occupied by the Truckee Public Utility District office and this morning opened for the early breakfast trade. Tony's California Coffee Shop is located two doors west of the new bank, with Tony's California Cocktail Lounge between and adjoining the coffee shop.

Soft shades of grey dominate the interior color scheme with gleaming flashes of new chrome and reds throughout. The ceiling is done in a solid pastel shade of coral and a green inlaid linoleum covers the dining room floor.

The announcement ad, appearing on Page 2, says "New location—same familiar friendly service and fine food."

Hester Parsons Will Address Wyethia Club

Mrs. Hester Parsons will be the speaker at the Wyethia Club open meeting tomorrow evening. Mrs. David Rose will preside at the business session before the social hour when the following will be hostesses: Mesdames Ray McCarty, Arthur Couillard, James Sherritt, Ernest Nordstrom, B. Davis, Carroll Maynard, Everett O'Rourke, Humbert Ciardella..

Mrs. Parsons is well known and all interested, whether or not they are members, are invited to attend and take their friends to hear the program.

Mrs. Fred Pedley presided at the September 5 meeting and Mrs. H. C. Johnson gave a series of enjoyable monologues.

New Ski Ground Is Being Developed

TAHOE CITY— G. D. Waters of Deer Park Lodge reports he has leased a large tract adjacent to his property from the Forest Service. There he is developing a ski grounds, with tow and school facilities.

Waters says he is working on a marked innovation for the cross country skier in the area but that details are still in the formative stage.

Mrs. Angelo Besio flew to San Francisco yesterday to buy fall and winter merchandise for Besio's Apparel Shop at Gateway Shopping Center.

Injured Bear Is Dispatched As Threat On River

Bruin Struck on Highway Is Killed By Archers

A large brown bear met his Waterloo Tuesday at the hands of his newest and most ancient foes—an automobile and a bow and arrow.

Struck by a produce truck from Reno as he ambled across Highway 89 near Big Chief, Bruin suffered a broken hip. He managed to swim and wade the Truckee River and secreted himself in a clump of willows. There he defied all who came near him as he lashed out in pain and fear at fishermen and others who discovered his plight.

State Patrolman Carroll Maynard, who lives nearby and who is an ardent archer, accompanied by his guest, Larry Snider of Stockton, and Sterling Ralphs of Big Chief Camp, were called to the scene and fired seven steel-tipped arrows into the bear, who snapped them off one after another with his huge paw. Finally, however, four of the lethal shafts penetrated vital spots and the beast was killed.

Although the bear hunting season is not legally open, official permission was obtained, Maynard said, to dispatch the suffering Bruin.

BECHDOLTS HIGH IN ANNUAL GOLF MEET FOR LIONS

TAHOE CITY— The seventh annual Truckee Lions Club golf tournament was held Sunday at the Tahoe City course, a fine crowd on hand to witness the event.

Brothers Carl Bechdolt Jr. and William Bechdolt tied for first place honors on the entry list of 26. Both received low gross scores of 70 and in the nine hole playoff Bill came in first with a 32 and Carl carded a 35. Third low gross went to Elden Tonini of Truckee with a 75 and Frank Gaiennie of Truckee came fourth with a 79. Angelo Besio, club president, held an 81 and Stanley Martin of Lovelock, former Tahoe man, was sixth with 84.

Low net went to Tahoe City's Norman Mayfield who made an 87 gross, 30 handicap and a 57 net. Everett O'Rourke of Truckee made it in 118, handicap 60 and 58 net. Two Truckee men, Walter Loynd and William Englehart, tied for third—Loynd with an 88, 28 handicap for 60 net and Englehart making it in 90 (30), 60.

Fifth place was another tie between Ray Helgeson of Hobart Mills with 97 (32) 65 and Earl Stice of Truckee, 105 (40) 65. Jim Bays of Truckee got 92 gross, a 24 handicap and 68 net.

The hole-in-one contest went to Frank Gaiennie whose ball landed three feet from the cup, Angelo Besio second with three feet, three inches from the hole.

PAST OFFICERS FETED BY O.E.S.

Past patrons and past matrons of Truckee Chapter No. 116, Order of Eastern Star, were honored on Tuesday evening by the attendance of Deputy Grand Matron Mildred Lambert and three guests from Portola when the evening was dedicated to the past officers of the local lodge.

Gifts were presented to each by Worthy Matron Ida Crandall and following the program refreshments were served by a committee with Mrs. David Rose as chairman.

San Francisco will be the meeting place for the Grand Chapter which will convene October 20 with more than ten local members planning to attend the sessions. One meeting of the Truckee Chapter will be held October 7, resuming the first Tuesday in November, because of the bay city conclave.

Back in Pasadena—

Mr. and Mrs. John Brown returned to Pasadena this week after an extended visit with Mr. and Mrs. Wm. Englehart Jr.

Bat Riordan Is Retired By S. P. After 50 Years

Mr. and Mrs. B. J. Riordan are leaving this week to make their home in Sacramento this winter, the former coming from the Southern Pacific Hospital at San Francisco, improved following a recent illness.

Riordan will have completed a half century of employment with the Sacramento Division of the Southern Pacific Company on October 31. He carries a required identification tintype photograph taken as a boy of 19 on October 12, 1902, a reminder of his start as a fireman in the coal burning era, later becoming an engineer and hostler.

The Riordans have lived here more than 20 years, where he has been employed as foreman at the roundhouse, familiar with all details of keeping trains rolling over the mountains in severe weather.

During his fifty years with the railroad he has seen vast changes of engine power.

Riordan for many years has been a member of the Truckee Lions Club and is one of the three Fire Protection District directors.

Mrs. Riordan was the guest of honor at a dinner given Wednesday evening by members of the Eightsome bridge club in Cozzi's Cafe and later the group enjoyed the game.

Their friends will regret their departure but are happy to learn of his return to health.

GIFFORD SELLS OIL BUSINESS TO KYDD, WILL LEAVE HERE

Robert C. Gifford, Truckee representative and distributor for the Texas Oil Company since 1939, with the exception of three years spent in the service during the war, today announced he is disposing of his interests here and with his wife and daughter leaving soon for a lower clime.

Purchaser of the stock and equipment in the Texas Company is C. W. Kydd, recently distributor for the Tidewater Associated Oil Company, who sold his business on August 12. Kydd resides at Tahoe City and will continue to live there but will maintain his office and business here.

Gifford came to Truckee in 1934 and was associated with the Standard Oil Company until 1939.

The Giffords own their home at Gateway Park and will continue to reside there for the time being or until plans for moving to their new location materialize. Their many friends and neighbors here will regret their leaving but will join in wishing them the best for the future.

CAPITOL GROUP TO STUDY TAHOE BOAT ACCIDENT

SAN FRANCISCO— Investigation records of the Coast Guard's inquiry into a Lake Tahoe accident in which a speedboat, piloted by Wallace E. Breuner Jr. struck a row boat and injured its occupants have been sent to Washington, D. C., for decision and any further action.

Local Coast Guard officers said they had completed the investigation and made recommendations but declined to disclose them.

"If, in the commandant's opinion, legal action should be taken, all Coast Guard records will be turned over to the department of justice in Washington for action and possible prosecution," the local headquarters announced.

Breuner, member of an Oakland family, testified at the hearing held at Lake Tahoe that a damaged propellor caused him to operate the boat at such low speed that its bow rose, cutting off his forward vision and preventing his seeing the rowboat until too late to avoid the collision.

Albert C. Johnston, Southern Pacific agent at Auburn, and Elmer J. Kinsinger, Auburn engineer, were injured.

From Capital—

Guests at the Daven Morey home over the weekend were Mr. and Mrs. Fred Morey and Mrs. Constance Morey of Sacramento.

Home from Lakeport—

Mrs. James Walker and children returned home from a visit to Lakeport.

Traffic Over 40 Exceeds All Of 18 Border Ports

Truckee Station Highest In History For Travel

For the first time in the history of the Truckee quarantine station, travel through here during August exceeded any of the state's 18 border checking stations.

The 62,532 cars, 3,133 trucks and 796 buses, with a total passenger count of 178,915, surpassed even Yermo on Highway 66 in southern California, which counted 61,357 cars.

Added to the Truckee count were the 3,288 cars checked at the "Brockway" station, currently located on Highway 89, two miles south of Truckee, funneling vehicles onto Highway 40 via the north end of Lake Tahoe.

This would bring the total number of cars checked at Truckee to 65,820.

The Meyers station on Highway 50 during the month checked only 18,437 cars, 238 trucks and 94 stages, with a total of 54,290 passengers, or only about a quarter of the number using Highway 40 and indicating the popularity of the two routes into northern California.

Throughout the state as a whole, 401,371 cars, 21,729 trucks and 4,603 stages with a combined passenger count of 1,246,938 were checked by inspectors at the 18 stations.

The figure recorded by the Truckee station was the highest in the history of the station for any month since its inception, exceeding the previous record established in July by nearly 2,000 cars.

DATE IS FIXED FOR BUCK STEW AT LOCAL MEET

At a meeting of the Truckee Outdoor Sportsmen held last Friday night, the date set for the annual Buck Stew was Sunday, October 12. The feast will be served at the Capitol Hall with Julia and Johnny Ciardella and Earl Brown as chefs.

Edith Pfaendler and Dolores Osburn were named on the awards committee, being assisted by Ed McReynolds and Clarence Osburn.

COUPLE INJURED IN FREAK MISHAP

Mr. and Mrs. George Rogers of Richmond escaped serious injuries in a freak accident west of Cisco yesterday when the car driven by the latter got out of control and plunged into the Yuba River.

Mrs. Rogers, who is quite short, was sitting on pillows to give her the proper view. As the car went around a curve, she slipped off the pillows and the car went off the road. They were treated at the Tahoe Forest Hospital and later released. They were brought to the hospital by the Truckee Ambulance.

Bay Region Driver Is Fined as Drunk

A fine of $300 was paid to Judge Fosten Wilson in the local district court Tuesday morning by Pacifico Gori, 55, of San Francisco, with $2 allowed for serving one day in jail.

Gori pleaded guilty to driving while intoxicated, excessive speed and being on the wrong side of the road on the Donner Summit area on September 14.

Sister of Truckee Man Passes Away in Reno

Funeral services were held for Miss Marion Lois Eaton, 84, at Reno yesterday with Rev. Robert W. Caswell of the Unity Center officiating. Interment was in the Mountain View cemetery. A native of Washoe City, Miss Eaton had lived in Reno for 75 years prior to her death last Friday.

She was a sister of Harry Eaton of Truckee and the daughter of a pioneer millwright, Silas W. Eaton. Beside the local man, she is survived by two other brothers, Arthur and C. H. Eaton of Reno.

Railroad Carpenter Cuts Leg Badly in Accident

Harold C. Olsen, 50, a carpenter with a Southern Pacific Company bridge and building gang at Norden, was taken to the Tahoe Forest Hospital by Truckee ambulance Monday afternoon for treatment for a badly lacerated leg.

Olsen was using an electric saw when the instrument struck a knot and jerked from his hand, striking his lower right leg, cutting to the bone. Dr. George Hahn was the attending physician.

by THELMA BURROUGHS

On Friday night, September 5, a mass meeting by the North Tahoe Community Inc. requested, through the North Tahoe Fire Control Unit, was held for the purpose of discussion and expressions of opinions by the people of this end of the lake on the possibility or advisability of forming a fire protection district to be supported by the taxpayers in an effort to more equitably distribute the cost of fire protection. A petition is being circulated which will be presented to the Placer County board of supervisors within the near future for the formation of a "North Tahoe Fire Protection District."

Bob Murray is at home in Tahoe Vista. Friends will be glad to know that Mrs. Murray's niece, Alma, and her husband, Willliam Moore, are there with Bob for the present. Before snow time, Murray will return to the little apartment in Merced for the winter where the threads of life must be picked up and woven into a different pattern for the future.

Bob and Mae Critchley are on vacation with Mae's father, Leon L. Brockett, and his sister, Carolyn Brockett, of North Haven, Conn. The Brocketts came out a couple of weeks ago for a short stay at Sandy Beach Hotel in Tahoe Vista before continuing on their tour of other interesting points in California. While Bob and Mae are away, Louise Anderson is taking care of the three little Critchleys. Reports are that they are thoroughly enjoying this much needed vacation.

Verle B. Draney of Kings Beach and a passenger companion escaped injury when the former's Cadillac sedan Tuesday night at 8:30 went over the grade on the Mount Rose Road a mile above the Bavarian Inn. The car plunged more than 100 yards down the mountain side and came to rest wedged among the boulders, the lights still shining. Draney and his companion were able to get out of the car unassisted, made their way to the road and hitched a ride from a passing motorist.

The P. M. Burroughs made a quick trip to Merced last Saturday evening to be on hand the following day to help in the celebration of my parents' Golden wedding anniversary. Returned to the lake Monday. It's still awfully hot down in that valley. Nothing like being back home after two nights and one day away.

Mr. and Mrs. Don McDonnell of San Diego have just completed a lovely new summer home in the Ridgewood Tract at Carnelian Bay where they will enjoy a month of Lake Tahoe living before returning to their southern home.

Pearl Martin is recovering from severe and painful gas flame burns sustained ten days ago while she was working around her kitchen stove. The bandages are all off now and Pearl is smiling again.

Gil Ballard's parents left last Sunday for a milder clime after summering in the Hobbs summer home at Tahoe Vista.

Wilma Abbott will shortly leave for her three weeks' badly needed vacation before assuming her duties as agent of the Brockway telephone exchange for the winter.

Mr. and Mrs. David O'Bannon of Kings Beach welcomed their second child, Kerry Steven, into the family circle at Washoe Medical Center in Reno at 9:16 on Friday morning, September 12. The little lad has a 14 months old brother, Dean Patrick, who came here with his parents for the summer from St. Louis, Missouri. The O'Bannons plan to stay out west and hope to spend a lot of time around Lake Tahoe. Kerry balanced the scales at 6 pounds and 11 ounces upon arrival.

Another evidence of North Tahoe's growth and progress is in the gratifying form of that kindergarten bus driven by Chris Christensen of Kings Beach. How comforting it is for mothers of those littlest ones leaving their nests for this first adventure out in the world of school days in the care of safe driver in the shelter of a good bus.

BIG '53 CONVENTION OF SUPERVISORS WILL BE AT TAHOE

PLACERVILLE—The 1953 convention of the California County Supervisors Association will be held in the Lake Tahoe area of El Dorado County.

W. G. Drysdale, secretary of the chamber of commerce, reports that county's invitation, extended at the recent convention at San Diego, was accepted and the 1953 meeting will be held early in September at Lake Tahoe.

Drysdale said that from 1,000 to 1,500 normally attend the convention of the supervisors association.

SWANEE'S

Tahoe Letter

Tahoe City, Sept. 14

Dear Tahoeites:

Most prominent—but not necessarily popular—subject in town this week is the snowstorm which struck the Tahoe-Truckee region on September 10 and 11. Flurries of snow visited the Tahoe City region and left about an inch of the white stuff by the 11th, with at least two inches deposited in the Homewood area. Up in the mountains in was measured in feet and Mt. Watson just northwest of our fair city was white all over. The barometer dropped just before the storm to around 27 but climber a little higher to 32 for several days after the disturbance. It now ranges around 34 and 35 each morning. Today was a beautiful day, sunny and warm, and we are all hoping fervently that the Tahoe area will once again enjoy that most delightful of all seasons, Indian summer. One thing the storm did which was regretted was to frighten from our fair shore all the late vacationers who had planned, many of them, to remain through September. With the first sign of snow, away they went—housetrailers by the dozen. Most resorts state, however, that despite the seemingly short season, it was a good one.

On Tuesday of last week a special meeting was held by officers of the Women's Club of Tahoe at which time Mrs. Blanche Donaldson, president of the club who tendered her resignation earlier in the season due to the press of business, agreed to withdraw same and continue on at the helm of the organization until the election in the spring. The club is holding a luncheon at Homewood Resort on September 18 at which plans will be made for the annual fall dinner.

President Bill Bechdolt of the Lake Tahoe Ski Club announces that the first meeting of the fall season is scheduled for Friday, September 26, at 8 p.m. and requests a full turnout so that plans may get under way for a successful winter sports program for the local club. Anyone wishing to join the club is welcome and visitors are always invited to attend the meetings in the Tahoe Community hall.

One of the most popular subdivisions at the lake is Pineland where realtors Charles Beardsley and A. D. Wilkie, and contractor Bert Anderson have done a good season's business. The Al Hermans are completing a new spacious room, with fireplace, at their home, Aldor, and the Marburgers are making a good sized addition to their summer residence. Mrs. Mildred Hahn of Oakland is assisting Beardsley at his real estate office and the subdivision office will remain open for business at least until around October 1. Dr. Louis Barber and family of Oakland are in this week for a fall vacation and Bessie Milner of Oakland has purchased the Gus Gehlert home in Pineland.

Bill Bechdolt, manager of Tahoe Inn, hosted a party on Monday night, Sept. 8, for 20 employees of the hotel who were treated to cocktails, dinner and dancing. This is an annual affair at the Inn. Bechdolt today informed me that the hotel will close October 19 and reopen the first of the new year but the restaurant will not operate until later in the season. Conger's Cafe has already announced they will close this winter.

The Imon Mitchells are entertaining guests at their Sunnyside home, including Merle Rose, formerly of Nyack Lodge, and Mr. and Mrs. William Rybensky of San Francisco.

I am informed that during the archery deer hunting season, members of the Archery Club of King's Beach have been hunting bucks diligently but so far to no avail. Most reports indicate that bucks have not even been sighted. Am afraid that Tahoe will not be the happy hunting grounds it has proved in the past, as very few deer—male or female—have been reported seen to date. I have seen only one doe to date and she was waiting patiently one night near the entrance to Tahoe Tavern, on the side of the bank, for me to pass in my car so she could go down to the lake for a drink. Usually the area swarms with deer but not this year. Even hunters who have been getting their fire permits to go back into the mountain areas are pessimistic about bringing out their usual limits.

On the other hand, Harold Feakin of Feakin's Cottage Court at Tahoma, who has taken numerous guests up fishing in the back country this season, believes that there will be some good hunting in the Tahoe area, although he believes the deer have not worked down to the lower levels as yet, due to the plentiful supply of green grass and water in the upper elevations, something which doesn't usually happen. This year's late spring and short summer has not dried out the upper areas and the deer, he believes, are still lingering there. Butch Beavers' latest word is that the archers of this region have seen numerous does but almost no bucks. He believes there are only about one-third as many deer here this season as normal.

Now that school is again open Tahoe Lake PTA will hold its first meeting of the semester at the school on September 25 at 2:30 p.m. All members and interested citizens are urged to attend.

There'll be some very red faces in the Lake Tahoe area when this story reaches print. Seems on Sunday last Mr. and Mrs. Harold Feakin of Feakin's Cottage Court at Tahoma came into Tahoe City with a beautiful 30 pound fish. Feakin didn't say where he caught it but the story got around that he got it early Sunday morning at Emerald Bay. The news of his big catch got around and old timers came from far and near to admire it. Only trouble was they couldn't agree on what specie it was. Some said its mouth wasn't just right for a mackinaw and the color was not right for a german brown or steelhead and most of them agreed it must be a hybrid. Feakin just nodded and said, "Your guess is as good as mine." All agreed it was a marvelous catch. On Monday, Feakin was called for the story of his fish and now comes the "awful truth." The 30-pounder wasn't caught at Tahoe at all but from a fishing schooner in the vicinity of the Golden Gate and the big fellow was in truth a chinook salmon. He caught it all right but not here. Now he wants to soothe his conscience by telling the truth.

Constable Harry Johanson of Tahoe City today was called by a motorist who had just witnessed the striking by a truck on the highway of a huge black bear (estimated weight 400 pounds) on Highway 89. The officer hurried to the scene with his rifle but found no evidence on the highway that the bear had been seriously hurt and later he saw the big fellow at a distance of about 50 feet across the Truckee River, moving about in the bushes. He did not shoot and planned to return to the spot to see whether the animal was critically injured or not. If the bear is unable to travel and in pain, he will kill him to put it out of its misery. Incidentally, Harry's patrol car is now equipped with a modern two-way radio installed by Sheriff Ward's office at Auburn. It operates most efficiently here.

Two families who have closed their Tahoe summer homes and left for winters residences in the bay area are Mr. and Mrs. Bert Scott of Piedmont, who vacation at Tahoe Park, and the Lewis Marsdens who have a summer home in the Suunyside district.

Here's wishing all good health, good luck and happy landings, as ever, Swanee.

Wm. Tiffany is Injured In Fall From Roof

TAHOE CITY— William Tiffany of Stockton, who with his wife summers annually at their attractive home at Homewood, is in St. Joseph's Hospital in Stockton with injuries suffered when he fell 12 feet from the roof of his house while painting.

About 11 a.m. September 9 his neighbors, the Art Sathers, heard a noise and looked from their window in time to see Tiffany slide off the roof and land on the concrete pavement. They rushed over to help him but when he tried to walk, he fell again, unable to navigate on his own. He suffered a badly broken right ankle and shoulder bruises.

He was given first aid by Dr. L. J. Huff, father of Homewood Resort's owner, Don Huff, who was a visitor and the hotel. Tiffany later was driven down to the Stockton hospital by Sather.

Tip On Protecting Machinery Against Winter Rust Damage

We hear tell that the life of a farm implement may be shortened as much as 10% in one year by rust and corrosion.

A few cents worth of asphaltic Standard Utility Coating on an implement will ward off costly rust all winter long.

You can paint or spray it on, or simply dip smaller implements. If you use a brush we suggest this handy way (left) to preserve the bristles when you put it down.

Standard Utility Coating, when used as a primer, also helps weather-proof metal roofing. Call us about it right now. Fast service is the basis of our local business.

U.S. SHOULDERS BIG LOSS IN SALE OF LAKE CASINO, LODGE

SAN FRANCISCO— The federal government's unhappy venture into the resort and gambling casino business at Lake Tahoe has been written off with a $190,000 loss.

John F. McCullough, regional manager for the Reconstruction Finance Corporation, announced the acceptance of a $225,000 bid by Joe Greenback of San Francisco, California hotel chain owner, for the palatial but bankrupt Tahoe Biltmore at Crystal Bay. Greenback agreed to pay $75,000 down and the balance before 1954.

The RFC turned down bids by Stanford Adler, owner of Cal-Neva Lodge, near the Biltmore, and Harold Koplar, St. Louis hotel man. Koplar offered $200,000 in cash and Adler offered $330,000 on terms the federal agency said were inacceptable. The bid by Albert Ichelson of the Tahoe Tavern Resort Company was withdrawn.

The RFC got into the casino business when the Tahoe Biltmore went bankrupt in 1949, a year after it opened.

At the time, only $10,000 had been paid on a $448,000 construction loan advanced by a bank in Sacramento, with 75 per cent backing by the RFC. The bank subsequently was acquired by another—and the RFC was left with the empty bag.

Last year the government asked for bids but found no acceptable takers. Last month, the Tahoe Biltmore went under the auctioneers hammer. Beside the lavish gaming facilities, the resort has 32 guest rooms.

Of the $225,000 sale price, 75 per cent goes to the government and 25 per cent to stockholders of the former bank. Thus, the government, which was stuck with $358,000 of the original $488,000 construction loan, will get back about $168,000.

U.N. Improves Fish-Breeding in Asia

One of the best ways of overcoming the general lack of protein in the diet of the people of the Far East is by increasing the production and consumption of fish. In Thailand, for example, an expert of the Food and Agriculture Organization of the United Nations (FAO), is training and assisting local technicians to improve and develop their country's fish resources. This Javanese scene shows time-honored fish-breeding practices in Tjinindi pond by local fishermen.

TAHOE SHOWBOAT LEASE IS BASIS OF LARGE LAW SUIT

Fred Cojan of Los Angeles, who held the bar and slot machine concession for a Lake Tahoe showboat known as "Dixie No. 1," has filed suit in Reno for $84,280 against the Lake Tahoe Boat Co.

His complaint stated the defendant firm, owner of the boat, gave him a five year lease on the liquor, snack bar and slot machine concessions, effective October 15, 1951. Coan paid $3,000 down and was to have paid the owner $2,000 a year plus 25 per cent of his net profit.

However, the complaint continued, the boat was not completed October 15, 1951, as scheduled, and was still unfinished July 12, 1952, when the Lake Tahoe Boat Co. repudiated the contract with Cojan.

Cojan is now seeking the return of the $3,000 down payment on the lease, $3,500 for lost wages while he waited for the boat to be finished, $2,780 to pay for his trips from Los Angeles to Lake Tahoe, and $75,000 which Cojan claims he would have earned from his concession.

Dixie No. 1 is moored at Cave Rock. The complaint indicated the craft has never fulfilled its mission as a showboat.

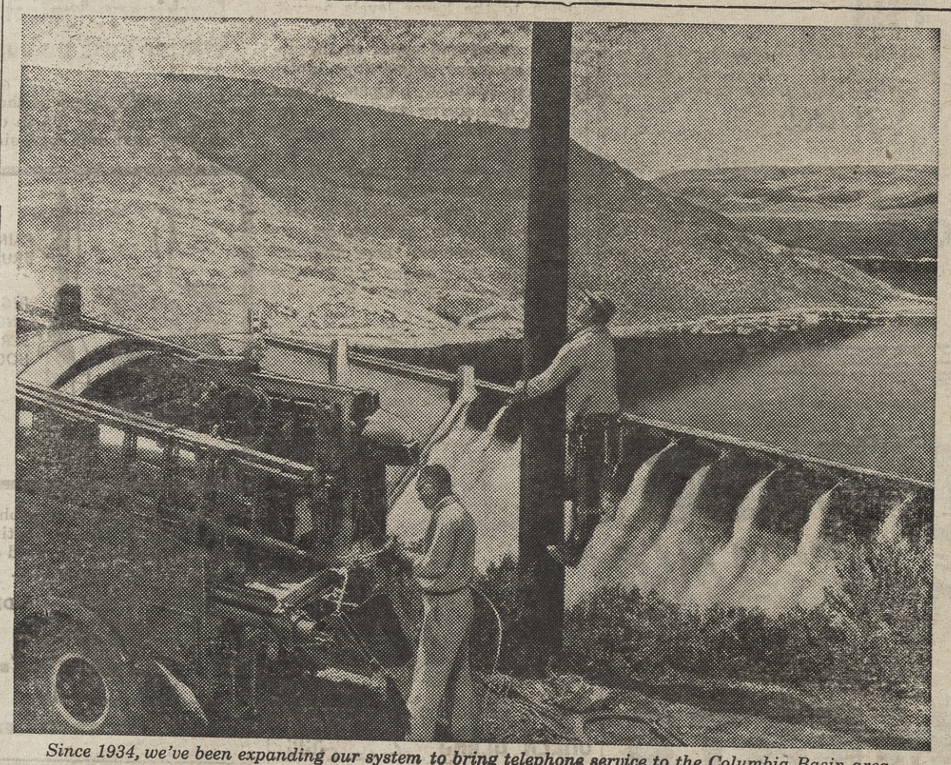
The A. R. Spechts of Tahoma have gone to San Francisco this week.



Since 1934, we've been expanding our system to bring telephone service to the Columbia Basin area.

When the Columbia Basin needed telephones

Making a desert blossom meant building a complete, new communications system

Twenty years ago, much of central Washington was sagebrush wasteland. Then came the Columbia Basin project with its plans for a huge dam and thousands of miles of irrigation canals. Right from the beginning, one of the important "tools" needed was telephone service. And we began, even before a yard of earth was moved, to create a new telephone system in the desert. We've invested hundreds of thousands of dollars to build the new facilities in the Columbia Basin ...an investment which will mean much to the West and to the nation. For it is helping turn barren land into rich, food-producing farms.

Highway mobile telephones have been helping contractors and engineers build a network of canals over the vast area. In 1934, we put a private line circuit from Coulee Dam to Ephrata. Today the dam itself is webbed with miles and miles of telephone lines...a nerve system over which practically all operations are controlled. And throughout the Basin area we've been building huge amounts of telephone facilities to take care of its amazingly rapid growth. In Ephrata, for instance, three operators handled all calls in 1942. Today, although dial equipment handles local calls, 25 operators are needed. In Moses Lake, there were 66 telephones in 1935. Today there are more than 2000...and the real growth still lies ahead. Eventually, irrigation water will reach more than a million acres. And we'll keep doing our best to see that the people who move there will have telephone service equal to that in other areas we serve here in the West.

Your telephone is one of today's best bargains

Throughout the West, the Columbia Basin telephone story has been told in hundreds of rapidly growing communities. And, fast as the West's growth has been, the telephone has grown at an even faster rate...twice as fast in the territory we serve. For at today's prices, the telephone is so economical more people can afford it...so useful, more people want it.

TWO SPEAKERS ON CLUB PLATFORM DISCUSS PROBLEMS

TAHOE CITY— Don Huff, host at Homewood resort, where the Tahoe City Rotary meets each Tuesday at noon, had the tables decorated with the Bear Flag of California for the meeting on September 9, Admission Day.

Program Warren Urch had two speakers for the session.

C. W. Vernon of Tahoe City, secretary of the Tahoe City Public Utility District, spoke on sewage at Tahoe City. He recited various difficulties as to sites and financing over the past four years.

George Kehlet of Meeks Bay talked about the Lake Tahoe water level problem, having a maximum of 6229 feet and a rim of 6223—and trying to keep California and Nevada happy on the power and irrigation aspects.

Hunters Are Warned on Loaded Gun Law

The law againt carrying a loaded gun in vehicles is still producing arrests and fines for those hunters who haven't heard of it, haven't read it in their hunting abstracts—or just forget, reports E. L. Macaulay, chief of the state department of fish and game patrol.

"A 'loaded' gun under this law is a gun with a cartridge in the chamber," Macaulay explained. "Shells may lawfully be carried in the gun's magazine. It's wise to observe the law, which prevents accidenst and saves fines, ranging from $25 to $100," he added.

CALIFORNIA, HERE WE COME: That seems to be the happy conclusion of, left to right, Senator Richard M. Nixon, General Dwight Eisenhower and Governor Earl Warren, pictured in a recent huddle as they discussed campaign policies and activities. Nixon opens his California trek with a statewide radio and television broadcast on September 17 at Pomona. Eisenhower will enter the State in October with major speeches scheduled at San Francisco and Los Angeles.

U.S. FALLS BEHIND IN "COLD WAR" ON PROPAGANDA

BERKELEY— "Economic and military aid, alone, to nations opposing Communism will not win the cold war for the United States," warns Dr. George Catlin, prominent British political theorist and visiting summer sessions professor of political science on the Berkeley campus of the University of California.

Dr. Catlin said, in a recent interview, that this country should work harder on its propaganda to these countries. "When the United States neglects the informational aspect of the cold war the Communist nations don't hesitate to manufacture their own motives for American aid to countries in need of help," said Dr. Catlin.

He termed as "a purely Marxist belief" the idea that Communism can be stopped solely by supplying other countries with arms with which to defend themselves and materials with which to promote their economic prosperity.

Dr. Catlin suggested that the coordination of propaganda be included within the scope of the North Atlancit Treaty Organization.

He blames western propaganda shortcomings for many Soviet victories in the cold war—victories in the battle for men's minds.

Dr. Catlin has just finished a tour of Ceylon, India, Pakistan, Burma, Siam, Malaya, Indonesia and Australia. In Pakistan he was an official guest of the government. He was invited to Australia by a member of the Australian federal cabinet.

AUBURN DISTRICT FAIR OPENING NEXT WEEKEND

AUBURN—All phases of Placer County's agricultural and industrial strength will go on display during the three big days of the Auburn District Fair and Horse Show September 19-21.

More than 4,000 individual entries will be exhibited. Plenty of entertainment and competition is promised for young and old alike with the emphasis in many phases of the fair program placed on youth and their activities. The juniors have a full schedule of competition in 4-H and Future Farmer contests in showing and judging animals and agricultural products. Entertainment events include football, vaudeville acts, hobby shows, pet parades, bands, junior drill teams, kid shows and contests of all types.

The horse show will be held 8 p.m. Saturday and 2 p.m. Sunday afternoon.

NEVADA COUNTY WINS $3,000 AT STATE FAIR

Nevada County made a good showing in its exhibits at the State Fair in Sacramento this year, taking in over $3,000 in prize money, L. G. Lageson, agricultural commissioner of the county, announced.

In competition against the rest of the state, the county's exhibits—the result of two months arduous effort by Lageson—resulted in Nevada County's winning as many points in minerals as all the other mineral counties combined.

Other top awards were taken in varieties of apples and pears.

The Nevada County booth itself took second prize.

Stockton Contractor Low Bidder on Road Work

SACRAMENTO —(C. N. S.)— The state division of highways has opened bids for grading and surfacing federal aid secondary county route 765 about nine miles north of Nevada City, between Sign Route 49 and 3.3 miles east. Low bidder was Elmer J. Warner of Stockton, who asks $66,548 for the job.

Going Pullman

than a good night's sleep!

Ever stop to think why train travel—and especially S. P. Pullman travel—is such a restful, relaxing and satisfying way of going places? Actually there are lots of reasons—some big, some small. Mostly it's because everything is done so smoothly and unobtrusively for your comfort and pleasure.

What other mode of travel gives you all this? Full-length beds with full-size sheets and blankets; a private room of your own, if you wish, with its own private lavatory facilities; air-cooling and air-conditioning; a friendly porter to give you prompt and attentive service day or night; complimentary shoe shines; ice water at your finger tips; delicious Dining Car meals, courteously served; a Lounge Car for refreshing beverages, magazines, newspapers and congenial traveling companions.

For overnight or longer trips—whether along the Coast or to the East—Southern Pacific streamliners provide the very finest of modern Pullman accommodations. Try them for *your* next trip. They are the last word in luxury travel.

THERE'S MORE TO S. P., TOO! S. P. is a road to remember for your freight shipments. We have more miles of lines serving more Western cities and towns than any other railroad. For fast, efficient, dependable freight service—whether carload or l.c.l.—call our nearest agent.

FRED MAIN HEADS TAHOE - SIERRA CHAMBER GROUP

TAHOE CITY— Fred Main of Tahoe City was elected as first president of the recently organized Lake Tahoe-Sierra Chamber of Commerce at the well-attended meeting of members of the former chamber and the Lake Tahoe-Sierra Association. The election was held following a luncheon at Cal-Vada last Thursday, with Harry Comstock presiding.

Other officers elected are Norman Celio, Tahoe Valley, vice president; David K. Gilmore, Kings Beach, secretary; Art Frodenberg, Tahoe City, treasurer; Carrol Raymond, Tahoe City, manager; Directors George Kehlet, Meeks Bay; Alexander Cushing, Squaw Valley; George Canon, Stateline; William Bechdolt, Norman Mayfield, Denis Sach, Marie Henry, C. W. Vernon and Kjell Rustad, all of the Tahoe City area; Will Bliss, Glenbrook; Jobe Lewis, Cal-Vada; Don Snyder, Lake Forest; Mrs. Harriett Craven, Fallen Leaf; Dr. Jose Nessim, Kings Beach, and A. J. Ketman, Carnelian Bay.

Comstock, for many years president of the LT-SA, was made honorary chairman of the group. He called the meeting to order and welcomed the membership. Harry Stubley of Kings Beach, chairman of the by-laws committee, explained the balloting procedure and nominations were called for. The chairman read the names of the nominees selected by the nominating committee and asked each to stand and make himself known.

During the luncheon, Mr. and Mrs. Dewey Stout of Sacramento were introduced to the assemblage. They were the couple who won a week's vacation free at Tahoe resorts after having won a contest during the closing days of the Bonanza Days celebrations at Sacramento recently.

Other speakers of the luncheon were William Brussard, manager of Reno's chamber of commerce, and Jim Jeffers, Reno publicity man. Brussard complimented the group for its successful amalgamation and predicted a brilliant future for the organization if everyone pulls together and cooperates even more fully than in the past. He suggested a system of associate memberships between this and other chambers in the area, expressing the belief that such a move would prove of mutual benefit to all. Dave Gilmore gave a brief report on the incorporation and new by-laws.

Main declared he would do all he could to assist the new organization on its way to outstanding success. He gave full credit to Harry Comstock and his associates for many years of faithful service to the Lake Tahoe-Sierra Association, which did much to popularize the lake area, and explained he even had Comstock to thank for bearing with him patiently during earlier days when he used to work for him at Brockway, where he laid the foundation for his successes of today. Main stated he wished the new chamber to include as many of the local residents and business establishments all around the lake as possible. He expressed a desire to make all meeting of the chamber open to the public with an invitation to all residents to attend and become acquainted with the problems and conditions of their area.

He has set Thursday, September 18, at 8 p.m. as the date for the first meeting in Tahoe Community Center hall.

New Librarian Named At Tahoe City

TAHOE CITY— Miss Jane C. Cotton, Placer County librarian, announces that Mrs. Lenora T. Bartel of Tahoe City has been appointed branch library assistant at the Tahoe City Julia Becholt Memorial branch of the Placer County Free Library. She succeeds Mrs. Ruth Hoffman who has been in charge for the past three years. Mrs. Hoffman has assumed charge of a local store.

Library hours remain the same as in the past: Monday, Tuesday, Thursday and Friday, 1 to 4 p.m. and Wednesdays, 7 to 9 p.m.

Summer Snow Storm Leaves An Inch

TAHOE CITY— A late summer snow storm which hit this region on September 10 and 11 deposited an inch of snow in Tahoe City, reports A. E. Frodenberg, official meteorologist. Since the 12th, the barometer has been up and skies have been clear. During the week which ended Monday, .26 of an inch precipitation was recorded here.

The lake level reading on Monday morning was 6228.34 feet.

Daily high and low temperatures for the week before Monday were Sept. 8th: 68, 35; 9th: 55, 40; 10th: 46, 27; 11th: 45, 32; 12th: 56, 32; 13th: 60, 34; 14th: 66, 35; 15th: low, 36.

Government Truck Stolen At Bijou with Checks

Theft of a government truck and $1,000 in government payroll checks from Bijou, Lake Tahoe, was reported Monday. The truck and checks were stolen Sunday night, reports indicate. The vehicle is a ¼-ton International pickup, green with Department of Agriculture insignia and numerals 698 on both doors.

Also taken were a government driver's license and a government purchase book, officers said.

CHILDREN SAVED FROM DEATH ON LAKE'S FLOOR

TAHOE CITY— Tragedy was narrowly averted on Saturday when two youngsters, Janice and Trent Giannini, children of the Enrico Gianninis of Pineland, fell into 14 feet of water while playing on the wharf at Sunnyside Resort. No one was at the pier at the time but guests at the resort were on the beach. It is believed the little girl slipped or lost her balance and caught her brother, only to drag him in with her. Both are elementary school pupils at Tahoe Lake School.

Fortunately, Delberta Little, a guest at the resort with her parents, the Del Littles of Marysville, was sunning herself on the patio and saw what happened. In a flash she was on her feet and on her way to the pier. At the same time John Davis, resort employee, also saw the accident. He dived in fully clothed and brought up one of the children and Miss Little dived in for the other.

The youngsters had sunk right to the lake floor and did not come to the surface. Had their rescuers not been handy and able to swim, the outcome might have been tragic. The children apparently sufferd no ill effects and were taken into the lodge and dried out before the fireplace. The rescuers were fervently thanked by the distraught parents, who took the children home.

New Subdivision Proves Popular Says Realtor

TAHOE CITY— The A. D. Wilkies of Tahoe Park have sold their summer home to Mrs. Dora Bondi of Sacramento.

Wilkie also announces that the new subdivision, Lake Park Terrace, just north of Tahoe City on the lakeshore, which opened two weeks ago, is proving popular. Only eight select lots were available and two of these are already sold, with homes to be erected on the sites next spring. Charles Beardsley, Pineland realtor, is the subdivider of the new tract.

Shirley Flagg Honored On Gaining Majority

TAHOE CITY— Miss Shirley Flagg, daughter of the John Flaggs of Tahoe Park, Saturday was tendered the biggest party of her young life, the occasion marking her 21st birthdate.

Those attending were guests at the Flagg home for a week. They included Louis Bortz, whose pin Shirley wears and who attends the University of California at Santa Barbara; Bill Maloney, Jay Thompson, John Juday, Alice and Paul Armstrong, Stirling Flagg and Beverley Myles of University of Nevada.

The dinner featured big, thick steaks barbecued in the Flagg gardens, preceded by the serving of champagne. Many lovely remembrances were received by the charming honoree. An evening of dancing at Cal-Neva rounded out the occasion.

Miss Flagg and Miss Myles motored to Arizona and Las Vegas on vacation, returning to classes at University of Nevada Monday. Prior to the trip, Shirley was a guest at the home of Mr. and Mrs. L. A. Bortz at their home in Orange for ten days.

SUMMIT SCENE

by FRAN COUILLARD

We eyed our suitcases wistfully this past mid-week when bitter winds blew up a freak snow fall that plastered the ground with eight inches of the stuff that can mean prosperity or distaster to this area. The disastrous results of last winter's road closing by "the stuff" is still felt by business men "on the hill" and this early harbinger caused a sense of foreboding for a few hours. James Horak of Donner Summit Lodge sat at his office desk contemplating three pages of "do's" before winter. Sadly eyeing the feathers as they wafted beyond the window pane, Horak drew large crosses through the "do's" and started another sheet of spring projects. "Not this early," moaned the hill moguls.

Nevertheless, the Donner U.S. 40 Chamber of Commerce threw its first wing-ding last Sunday afternoon at Donner Lake. Attendance wasn't what it should have been but a nice little nest egg was gleaned from those who did attend. Purveyors and members of the new organization gladly donated the makings for the barbecue and to these we offer our heartfelt thanks.

We have in our hand an invitation to the Harold Eugene Jones Donner Summit Post No. 811 for their installation weekend which begins October 3 with a bang and includes the two proceeding days. The program is filled with interest for everyone for it includes deer hunting, swimming, fishing, boating, chair lift rides, hiking and the works. The committee even advertises the fact, in their invitation, that they'll put up box lunches for those who wish to spend the day in the wonderful mountain air. "Bring your families" states the invitation with its elaborate program and all hotels in the area synchronize their rates for the event. New officers to be installed are James (Bud) Horak, commander; Milton Hogle, 1st vice commander; Charles (Chuck) Reynolds, 2nd vice; Bill Rutherford, adjutant; George (Bud) Zorich, finance officer; Elmo Moriano, service officer; Edvi Aro, chaplain; Hugh McLean, sergeant at arms; Jack Hogue, historian. All the above will be on the board of directors where Past Commander Henry Piche will also serve.

Interesting visitor drops in as I write this — remember Floyd Fortna? Last time I heard of Floyd he was teaching skiing to the Arabians and Indians in the Himalayas. Now, he tells me, he has a cattle ranch near Golden, Colorado.

Last Monday looked in on a banquet at Donner Summit Lodge given in honor of Northern California Sportsmen where representatives from the state fish and game commission, the U. S. Forest Service, the Associated Sportsmen of California held forth with State Senator Harold Johnson. The Truckee Rotary Club canceled their Truckee meeting in favor of attending en masse the Donner Summit banquet. Noted Tom Borneman and Guerdon Ellis among the guests. Members of sportsmen groups from Grass Valley, Nevada City, Auburn, Truckee and Colfax were present also. It is our personal feeling that Senator Johnson should be given an orchid for his continuous work and aid to the sportsmen of northern California.

Though it is but Tuesday as we gather together this Summit Scene and though many news reports of not many deer in the area have been circulated, we are quite startled at the number of red hats being spotted in the brush at this particular time as beforehanders scout around for evidences of that wily animal and evidently take no cognizance of the news reports.

Our town is beginning to take on the semblance of settling down to its permanent population. Most vacationers are home the summerites have fled. In the "back homes" are the Ernie Nordstrom family and the Tschopps. Edy and Betty Aro are still touring but their vacation is almost at an end. John Carl returns from Sacramento to find his dog "Gin" a happy mother of ten pups. There are those of us who have hung to the mountain during the press of summer business who would like to fly away for a while but that recent snow flurry makes us wonder whether a vacation can be squeezed in before winter preparations are finished.

Reports from the Sugar Bowl say the new double chair lift is fast nearing completion, whilst the Donner Ski Ranch hill is undergoing a face lifting operation. Soda Springs Ski Corporation flashes a brilliant red paint job on its chairs and towers. Doc Buek states his new mountain home will be ready for occupancy on October 1 and it looks as though we might have another party. A trip to Emigrant Gap with stops made at all places on the up and back trip (to ballyhoo the Chamber of Commerce party of last Sunday) found most of the places along the road busier than we've ever seen them this particular time of the year — that "quiet" spell between schools' commencing and the first shot of deer season. Fishing still claims the attention of the ardent angler and the sale of fishing and hunting licenses might reach a new high.

Homer Bales of Kingvale is all smiles. Baes, in case you don't remember, is the handy man of Kingvale and has been for many years. People of Kingvale couldn't exist without Homer to do their fixin'. Anyway, the reason Homer smiles is that he meets a certain somebody very shortly who is coming to see him by train. Thence to Reno and bells. Much, much luck to Kingvale's Homer.

A non-profit group, the chamber is said to be organized "to promote, advertise, exploit and make known the resources and historical background of the Donner area and U.S. Highway 40; to assist in the development of the recreational aspects of the area, and to cooperate in the betterment of transportation facilities and highways of the area."

The officers listed are Brant M. Chaplin, president; James Horak, vice president; Mrs. Arthur Couillard, secretary; Glenn Parsons, treasurer; Ralph Rowton, E. English and Thomas Vincencio, directors at large.

Students Name Officers At Tahoe Lake School

TAHOE CITY— Grades two and three of Tahoe Lake School enjoyed a field trip to Squaw Valley last week with their teacher, Mrs. Gordon Butterfield. There, thanks to the cooperation of Mrs. Wayne Poulsen, the children who are studying ranch life saw horses saddled, ridden, shoed and they even rode them themselves.

Grades four, five and six elected class officers recently as follows: Billy Schrader, president; Sharon Bechdolt, vice president; Mary Ann Stark, secretary; Rex Donaldson, treasurer; Billy Conners, sergeant at arms. They also elected Safety Patrol personnel which will operate on the school playground, on the bus and in the school. Squad I is headed by Don Benjamin and includes Mary Ann Stark, Ken Wilson, Gary Henry and Sharon Bechdolt. Squad II is headed by Bill Schrader and includes also Rex Donaldson, Marjorie Wegley, Trent Giannini and Billy Conners. Monitors for the rooms and halls include Ellen Rich, JoAnn Pomin, Diane Speeter, Randy Pomin, Bobby Porter, Carolyn Henry and Kenneth Wilson. Mary Ann Stark was elected librarian.

As of Tuesday, September 16, enrollment at Tahoe Lake School was Kindergarten and 1st: 31; 2nd and 3rd grades: 27; 4th, 5th and 6th grades: 34; total: 92.

Much Accomplished At Pahatsi Work Days

Considerable progress toward the repair of the damaged buildings at the Tahoe Area Counil's Boy Scout Camp Pahatsi, near Soda Springs, was made at the Scouters' Work Day held on Saturday and Sunday, it was announced by Camp Chairman H. D. Eslick.

Based on anticipated contributions to teh camp repair fund, material was secured and through the efforts of some volunteer workers it was possible to complete most of the reroofing of the washroom and latrine. Also a group under the direction of Greeley Herrington and "Red" Warner of Auburn accomplished considerable reinforcing of the main lodge building. Yet to be done is the reroofing of the boat house and Eslick has scheduled a work party for this purpose within the next two weeks.

Participating in the work party were "Scouters" from Auburn, Roseville, Penryn and Lincoln. Ray Ewan, Scout executive, and Del Raby, field executive, worked with the Scouts present in bringing in all tents, cots and mattresses and in closing the camp.

SEVERAL FINED IN TAHOE COURT

TAHOE CITY— Mrs. Joellyn Graham of Berkeley recently appeared in the court of Judge C. W. Vernon at Tahoe City and paid a fine of $75 for throwing a burning cigarette from a moving car. She was cited by Clarence Beavers, Tahoe Park forest service official.

Beavers also cited Joseph Thomas of Pollock Pines for throwing garbage along a public highway. He forfeited $25 bail in Judge Vernon's Court.

Charles Pittman of Turlock paid a fine of $25 for using auto dealer's plates illegally and three truck drivers, including the late Aubrey Bennett of Reno and H. P. Hildebrand, also of Reno, were fined $35 each for overloading logging trucks.

CARD OF THANKS

I wish to thank all the Southern Pacific employees and others who so generously contributed toward a retirement gift for me. I am very happy to know I have so many friends. Thanks again from the wife and I.

HENRY G. WILLIAMS

LITTLE SPEAKER AT TAHOE MEET

TAHOE CITY— At their meeting Tuesday at Homewood Resort, Tahoe City Rotarians heard R. N. Little of Truckee talk on the ins and outs of insurance.

Little dealt largely with automobile insurance and the increasing rates. He pointed out the reason for the boost in rates is the rising costs of new cars, repairs and parts. The rising accident rate and a tendency of juries to award high damages in accident injury cases are also contributing factors, he said. Rates in this territory generally are about half those in the San Francisco region, Little pointed out.

At the last directors' meeting, attention was called to the 15-mile-an-hour zone on Grove Street leading to the Tahoe City school. Road signs will be erected warning drivers to slow down and mothers are being asked to warn children against playing on the street.

Bill Conners was the program chairman and Denis Sach presided at Tuesday's meeting.

GIVE ME A GOOD HAIRCUT, WILBUR - I'M GOING TO SEE MY GIRL TONIGHT -

I DIDN'T KNOW YOU HAD A GIRL, BOB - WHO IS SHE?

CRYSTAL SHANDALEER - WE'VE BEEN GOING STEADY FOR OVER A YEAR -

ARE YOU AND CRYSTAL GETTING MARRIED SOON?

WE'D LIKE TO BUT WE HAVEN'T SET THE WEDDING DATE BECAUSE WE CAN'T FIND A PLACE TO LIVE -

THAT'S TOO BAD - DO YOU WANT A HOUSE OR AN APARTMENT?

McNaught Syndicate, Inc.

WE AREN'T PARTICULAR - WE'D LIVE ANY PLACE IN ORDER TO GET MARRIED -

IN THAT CASE - WHY DON'T YOU MOVE IN WITH HER PARENTS FOR A WHILE?

9/21

WE CAN'T - BECAUSE - WELL - THEY'RE STILL LIVING WITH **THEIR** PARENTS!

STRANGE as it seems

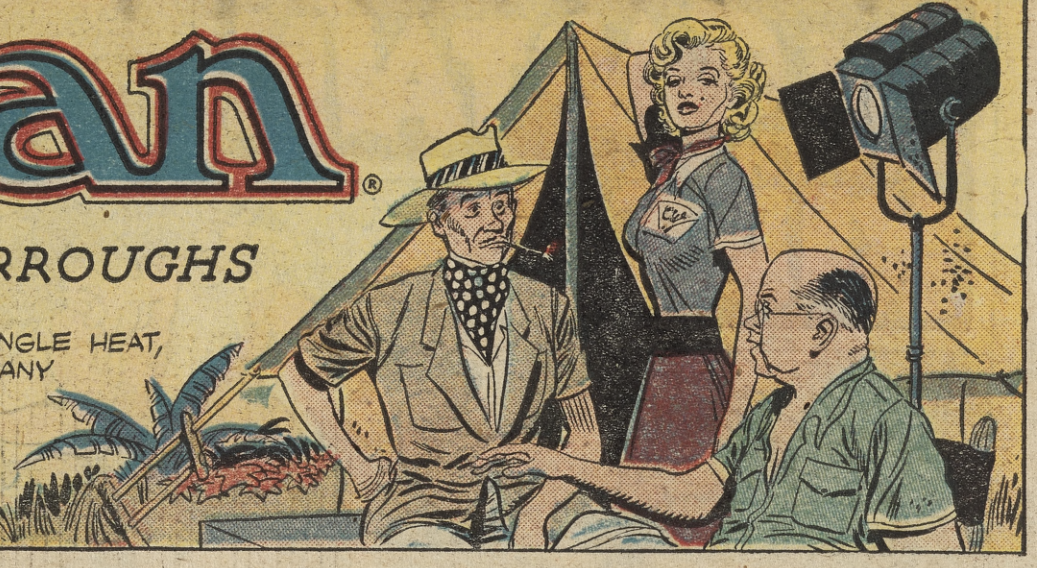
DISTRAUGHT FROM THE ENERVATING JUNGLE HEAT, CERTAIN MEMBERS OF A MOVIE COMPANY WERE BICKERING --



"WHAT'S ALL THE FUSS?" INTERRUPTED THE LEADING MAN. "WITH ME AS THE STAR, WE CAN SHOOT RIGHT HERE -- I'LL MAKE THE PICTURE AUTHENTIC."

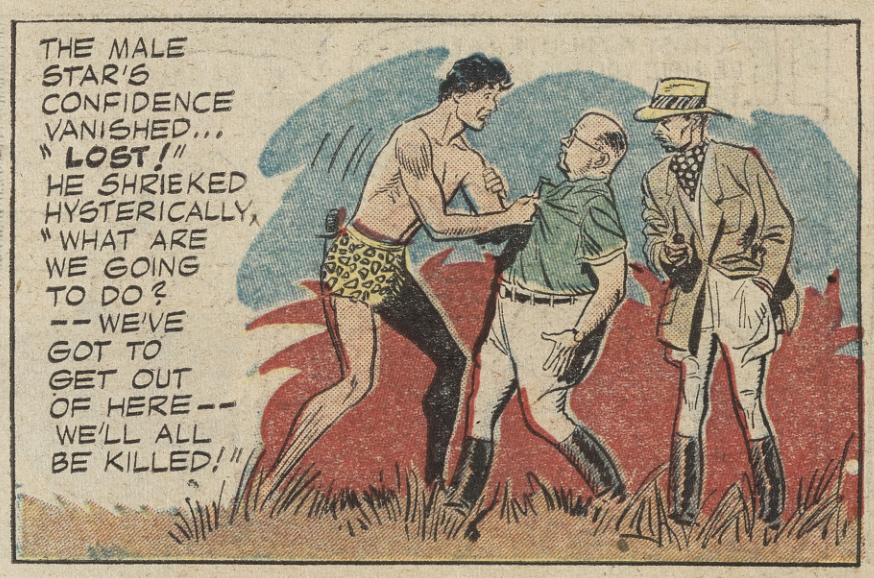
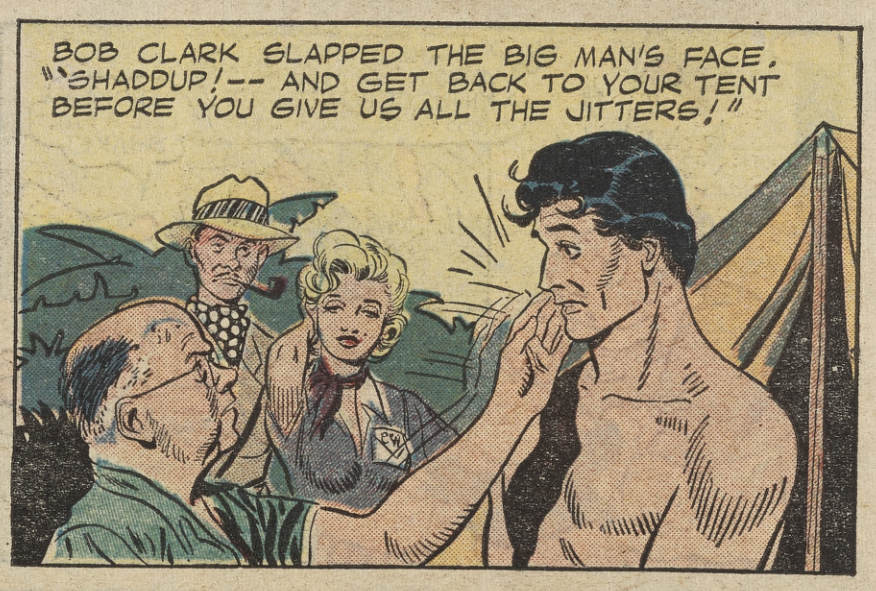
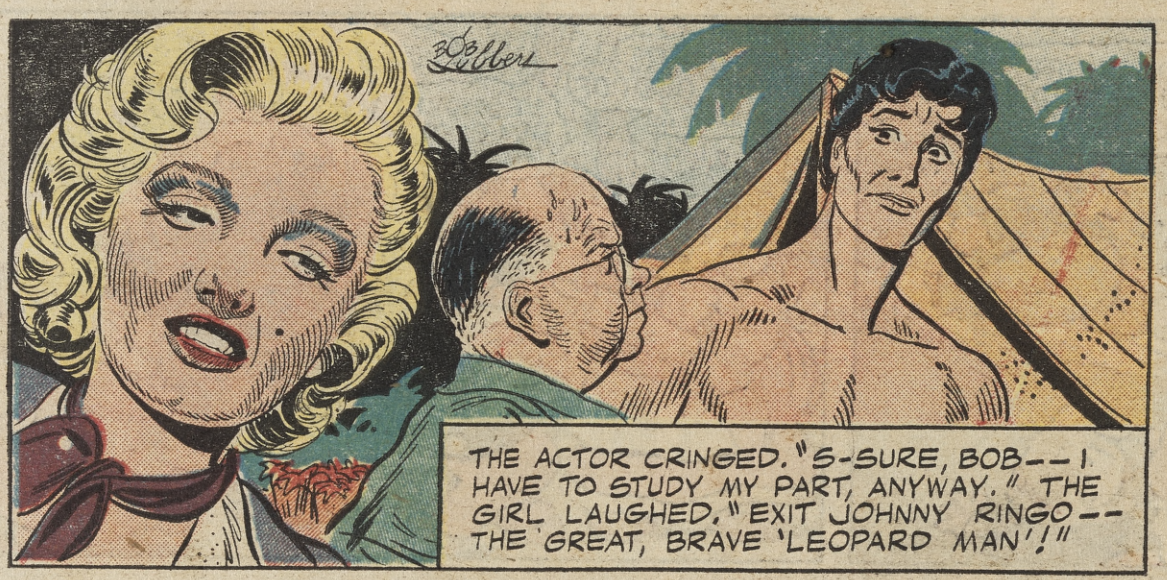
"THAT AIN'T THE POINT, LOVER BOY," EXCLAIMED CLARK. "THE FACT IS WE'RE --" "LOST," ADDED HANK QUIETLY.



THE MALE STAR'S CONFIDENCE VANISHED... "LOST!" HE SHRIEKED HYSTERICALLY, "WHAT ARE WE GOING TO DO? -- WE'VE GOT TO GET OUT OF HERE -- WE'LL ALL BE KILLED!"



BOB CLARK SLAPPED THE BIG MAN'S FACE. "SHADDUP! -- AND GET BACK TO YOUR TENT BEFORE YOU GIVE US ALL THE JITTERS!"



THE ACTOR CRINGED. "S-SURE, BOB -- I HAVE TO STUDY MY PART, ANYWAY." THE GIRL LAUGHED. "EXIT JOHNNY RINGO -- THE GREAT, BRAVE 'LEOPARD MAN'!"

... NO SOONER HAD RINGO DISAPPEARED, WHEN TARZAN PAUSED IN HIS TRAVELS, AND GAZED DOWN, CURIOUS, AT THE CAMP!
